

NON-CONSENT FORM

Re: Wireless Computer Access and Use

Student's Name: _____ **Grade:** _____
(first and last, please print)

School: _____

Date: _____

To whom it may concern:

Please note that I **do not consent** to my child, named above, using any computers serviced by wireless connections, (WiFi, WLAN, Bluetooth, etc.) while in school. I **do not consent** to my child being exposed in the classroom or the school to pulsed ICRW (Information Carrying Radio Waves) deployed by wireless devices within that classroom or elsewhere in the school. I **do not consent** to my child remaining in the classroom or any other room while others (students, teachers, staff) are using computers or devices served by wireless connections. This includes any wireless device left in the "on" or "standby" mode.

Please note that at this time, I **do consent** to my child using **hardwired computers** in school. I **do consent** to my child participating in lessons and doing schoolwork in a classroom that is **free** of non-thermal, non-ionizing radiation emitted by pulsed modulated signals from wireless devices.

I would appreciate action in this regard.
